*We're delighted to
be able to bring
you this fabulous
cushion pattern from
Gary Kennedy*

Intarsia can be daunting for some, so why not try it out on a simple flat piece of knitting like this? When working the chart pattern, use a separate length of yarn for each section, twisting them together to avoid a hole when changing colour. There are no floats, as with Fair Isle knitting. The back of your work will look complicated with all the ends of yarn but intarsia is actually a very straightforward process. Remember to sew in your ends carefully without pulling too tightly as this will affect the look of your picture knit.

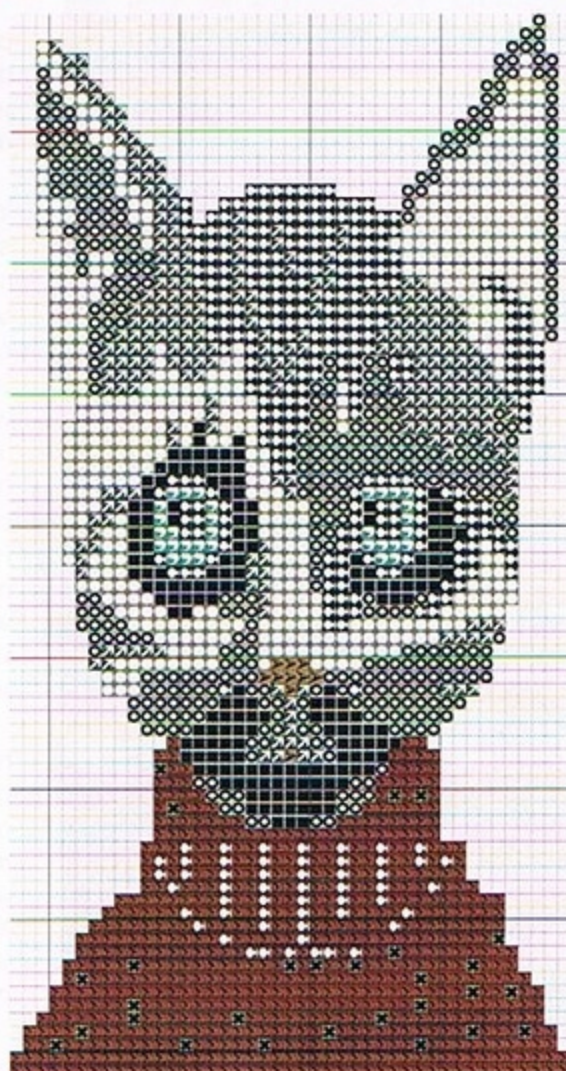

Start knitting...

Front

Cast on 86 sts in MC.
Work 18 rows in St st, ending with a WS row.

Row 1: K23 in MC, work from the chart (43 sts), k20 in MC.

This row sets the position of the chart. You may like to place stitch markers either side of the chart section to help you keep your place. Continue working in this manner for the remainder of the chart (79 rows). Continuing in MC only, work 13 rows in MC.
Cast off.

Back

Cast on 86 sts.
Work in St st for 110 rows.
Cast off.

Making up: Press both front and back pieces lightly (see the label of your yarn for pressing instructions). Join three sides, leaving one side open to insert the cushion pad (buy a slightly larger pad to make your cushion nice and plump). Sew up the fourth side.

READER OFFER

Knit Now readers can access an amazing 25% discount off the yarn to knit this cushion from Gary Kennedy's website. But hurry! This fantastic offer is only available until 31st March.

How to get the kit

Go to: <http://goo.gl/gStq4> OR Go to: www.garykennedyintarsia.com, then select Cushions: Cats: Timmy. Then below Timmy under 'We Also Recommend', click on the yarn bundle picture. Enter the amount of each yarn you require and proceed to checkout. Enter code **TIMMY YARN25** - your discount will then be applied.

Master Magic Loop

We love learning new techniques that make our knitting lives easier. One of our favourites is Magic Loop, which opens up new possibilities in circular knitting

When it comes to knitting in the round (also referred to as circular knitting), many knitters prefer to use a single circular needle to a set of double-pointed needles (DPNs). However, when you only have a small number of stitches and they don't stretch around the cord, what do you do? One answer is to switch to a shorter cord. Cords are available as short as 30cm, but they also have very tiny tips (needles) that can be fiddly. It can also work out expensive to have to buy extra cords or needles – and what about when you get right down to only having a handful of stitches, such as at the top of a hat? Well, there is an alternative and it's called Magic Loop!

For the Magic Loop technique you'll be using a single circular needle in the correct needle size for your project. The cord length isn't critical but I would recommend a minimum length of 60cm (80-100cm is even better). Most standard circular needles are 80cm long so you may well have these already in your knitting bag. This technique works well for smaller projects, particularly socks, gloves and hats, and wherever you have too few stitches to sit comfortably around your cord.

Step 1

Cast on using your preferred technique then slide your stitches off the needles and onto the cord.

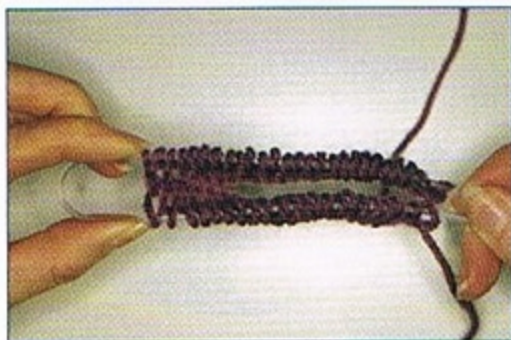

Step 2

Pinch each end of the cast-on stitches and hold them together with your RH so that they form a small loop on the cord. Keep the working yarn to the back, away from you.

Step 3

Use your LH to tease out a loop of cord so that there are an equal number of stitches

on each side of the loop (it's okay to be one stitch out if you have an odd number of stitches and this can be on either side of the loop).

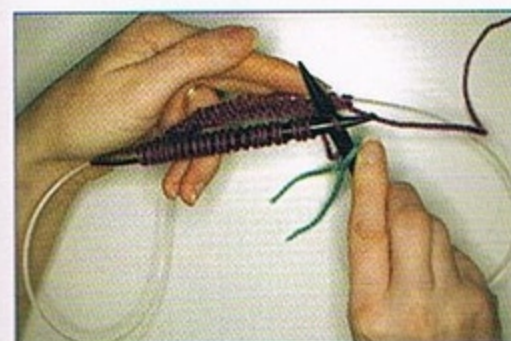

Step 4

Again, using your LH, pull steadily but carefully on the loop until both sets of stitches are mounted on the needles (half the stitches on each needle). You may need to use your RH to help the stitches onto the needles.

Step 5

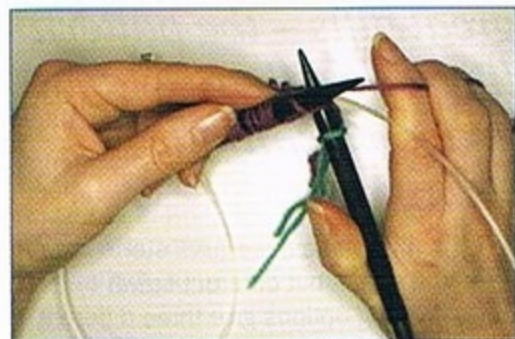

Check that the working yarn is on the back needle (furthest away from you) and, most importantly that the stitches aren't twisted. With the work on your LH needle and the loop to your left, steadily pull the back needle with your RH until the back stitches slide onto the cord and the needle is free.

Step 6

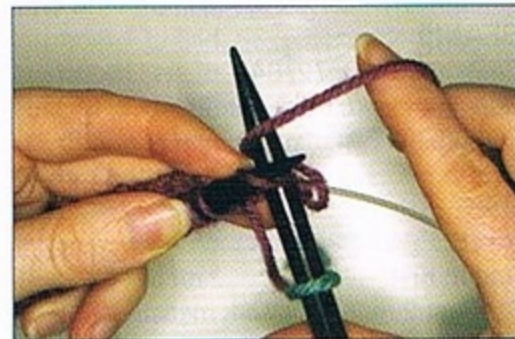

Continue to pull the back needle until you have two similar length loops of cord (like

bunny ears) on each side of the work. Place a marker on the empty back needle. The working yarn should be over the cord as shown and the free needle will be used to knit off the stitches on the front needle.

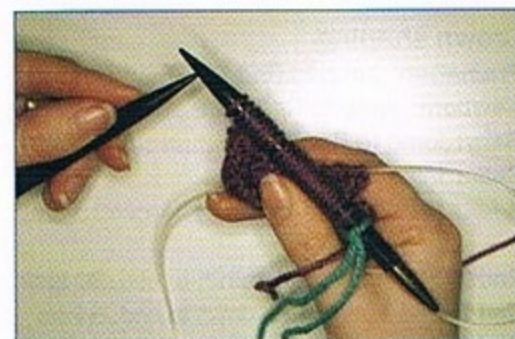

Step 7

Check that the stitches aren't twisted around the loop before knitting the first stitch.

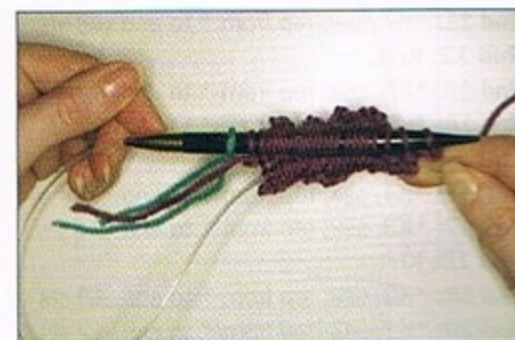

Step 8

With the yarn over the cord (see Step 6), knit the first stitch on the front needle. Make sure that the first stitch is pulled nice and tight to ensure that you don't have a ladder or loose stitch at the join. Continue to knit all the stitches off the front needle.

Step 9

When you have knitted off all the stitches on the front needle, you will have an empty needle in your LH and the work on your RH needle. Half the stitches are still on the cord waiting to be worked.

Step 10

Swap the work onto your LH needle, keeping the loop to the left. The stitches you have just knitted will be at the back of the work and still on the needle at this stage.

Step 11

Keeping the needle with the working yarn to the back, furthest away from you, slide the stitches on the cord onto the empty needle and hold these stitches at the front (nearest to you). With the working yarn to the back as previously, repeat steps 5 to 10, beginning by sliding the stitches off the back needle onto the cord. Remember to keep the yarn snug when you change needles to avoid ladders or gappy, stretched stitches.

And that's it! You've now mastered Magic Loop! 🧶

Hints and tips

- As with other methods of knitting in the round, you will always be working with the RS facing you, so if you are making a stocking stitch fabric you will be knitting every stitch
- A long, soft cord works best for this technique. Choose a cord that is at least 60cm (24") long and if you are buying a new needle, look for a cord that is flexible, not too curly and has smooth joins where the cord attaches to the tip
- Pay close attention to the stitches when you change needles. Try to keep the tension snug without being too tight
- Be aware that you may still need to change to DPNs when you only have a very small number of stitches, but once you've mastered the technique you'll be surprised how few stitches you can knit on a circular needle!

Magic Loop Pattern Trio of Hats

SPECIAL INSTRUCTIONS

i-cord seam: *K3 from front needle onto RH needle, k first stitch from each of front and rear needles together. Pass 3rd st on RH needle over 4th, pass remaining 3 sts from RH needle onto front needle; rep from *.

Applied i-cord cast off: **K2, k2tog, pass 3sts back to LH needle; repeat from **.

We love finding something a little bit different and the construction of these mitts is really interesting. None of the techniques are particularly difficult, but there's enough here to keep you interested.

Start knitting...

BOTH MITTS

Using 3.25mm circular needle and provisional cast on, cast on 3 sts. Work 14 rows in garter stitch.

Set-up row 1 (RS): K3, pu and k7 sts from edge of work (1 st per garter ridge), undo provisional cast on, put resulting 3 sts onto LH needle and knit them. 13 sts

Set-up row 2 (WS): K3, m1, k1, p1, k1, m1, k1, pm, m1, k1, p1, k1, m1, k3. 17 sts

Rows 1, 3 & 5: K3, p to marker, sm, k1, p to last 3 sts, k3.

Row 2: K3, m1, k2, *p1, k2; rep from * to 1 st before marker, m1, k1, slip marker, m1, k2, **p1, k2; rep from ** to last 3 sts, m1, k3.

Row 4: K3, m1, *p1, k2; rep from * to 2 sts before marker, p1, m1, k1, slip marker, m1, **p1, k2; rep from ** to last 4 sts, p1, m1, k3.

Row 6: K3, m1, k1, *p1, k2; rep from * to 3 sts before marker, p1, k1, m1, k1, slip marker, m1, k1, **p1, k2; rep from ** to last 5 sts, p1, k1, m1, k3.

Rep Rows 1-6 3 (4, 5) more times until there are 65 (77, 89) sts.

Left mitt

Next row (RS): K3, p12 (15, 18), pm, p2, [m1, p1, m1, p2] 9 (11, 13) times, removing centre stitch marker. 62 (75, 88) sts on RH needle, 21 (24, 27) sts remain unworked

Turn work. (Switch to a second colour here if you want contrasting edging.)

With WS facing, cast on 3 sts using circular needle (cable cast on) and work applied i-cord cast off using circular needle over

central sts to marker, remove marker and place 3 i-cord sts on DPN.

With RS facing, fold work in half along centre ridge so there are 15 (18, 21) sts on rear circular needle, 21 (24, 27) sts on front circular needle and 3 sts on DPN. Transfer all 3 sts from DPN onto front needle.

Work i-cord seam until all 15 (18, 21) sts from rear circular needle are incorporated into seam. (9 sts on front needle, 3 of which are i-cord sts.)

Identify the 7th (10th, 13th) garter stitch ridge out from the centre on the rear half of the work and pu a loop at its edge using DPN. Continue to pu (but not knit) a further 5 sts working towards the centre stitch. Transfer these 6 sts to the rear circular needle (9 sts on front, 6 sts on rear circular).

Work i-cord seam until all 6 sts from rear needle are incorporated into seam. Pass 3 sts from DPN onto front end of circular, cast off.

Right mitt

Next row (RS): K3, p to marker, remove marker, k1, p to last 3 sts, k3.

Next row (WS): K3, [k2, p1] 4 (5, 6) times, pm, k2, [m1, p1, m1, k2] 9 (11, 13) times. 62, (75, 88) sts on RH needle, 21 (24, 27) sts remain unworked

Turn work. (Switch to CC here for contrasting edging.) With RS facing, cast on 3 sts using circular needle (cable cast on) and work applied i-cord cast off using circular needle over central sts to marker, remove marker.

With RS facing, fold work in half along centre ridge so that there are 21 (24, 27) sts on rear circular needle and 18 (21, 24) sts on front circular, 3 sts of which are i-cord sts.

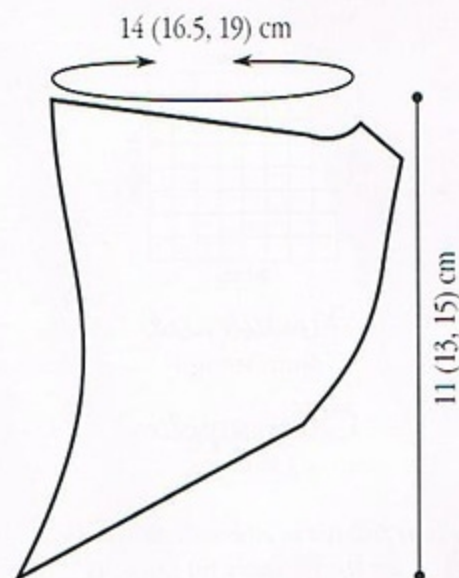

Using DPN, work i-cord seam until 15 (18, 21) sts from front circular needle are incorporated into seam. Leave the 3 i-cord sts on DPN (6 sts on rear needle, 3 sts on DPN).

Identify the 7th (10th, 13th) garter stitch ridge out from the centre on the front half of the work and pu a loop at its edge using a DPN. Continue to pu (but not knit) a further 5 sts working towards the centre stitch and transfer these sts to the front circular. Transfer 3 sts from the DPN to the front circular needle (9 sts on front, 6 sts on rear circular).

Work i-cord seam until all 6 sts from rear needle are incorporated into seam. Transfer 3 sts from DPN onto front end of circular, cast off.

Finishing: Wet block. Soak the mitts in warm water, gently squeeze dry and spread out flat until fully dry. Sew the cast off ends of i-cord under the i-cord seam. Weave in yarn ends.

Hints and tips

- It's important to understand the difference between the i-cord seam and applied i-cord cast off, and to pick up the loops for the final seam from the very edge of the knitting. This is the magic step that turns a shawl triangle into a mitten!

Hints and tips

You can put your own stamp on this design with your choice of yarn and buttons for the rosettes. Scraps of similar weight yarn in contrasting colours or mismatched buttons, for example, would create a more bohemian look

Designed to make the most of two balls of yarn, this open lacy pattern makes for a very pretty and ladylike accessory. We particularly like the way the flowers can be used as buttons to hold it in place.

Start knitting...

Cast on 38 sts.
Work in open chain ribbing until work measures 72cm, ending with Row 4 of the pattern.

Next Row: Work in patt for 19 sts. You will now work back and forth over these 19 sts. Place rem sts on stitch holder.

Work 12 rows in patt then place these sts on a second stitch holder and break yarn.

Transfer sts from first stitch holder back onto needle, rejoin yarn and work 13 rows in patt.

Next Row: Work 19 sts on needle in patt, then work across 19 sts in holder in patt. 38 sts

Cont in patt until work measures 98cm, ending with Row 4 of patt.
Cast off.

Large rosette (make one)

Cast on 10 sts.

Row 1: *K1, yo; rep from * to end. 20 sts

Row 6: Purl.

Cast off leaving a long tail.

Small rosette (make three)

Work as for large rosette, but cast off after Row 4.

Making up:

Weave in all loose ends on scarflette. To make rosettes, thread the long tail from cast off along the cast off edge and pull gently to gather. Sew the selvedge together using mattress stitch. Position your rosettes on the scarflette as desired and stitch in place. Sew a button at the centre of each rosette. Wash and block.

Lydia TWINSET

We love this vintage-style twinset featuring a simple chevron pattern. Wear it with a pencil skirt and heels for a very vintage look

When Rita suggested this pattern to us, we knew instantly which yarn would be perfect for it. Excelana was developed by designer Susan Crawford and spinner John Arbon with vintage garments in mind. The palette works brilliantly for a modern take on 1940s style.

Work in 1x1 rib for 6.5cm, ending with RS facing.

Next Row: Work in rib, increasing 0 (2, 0, 2, 2, 2) sts evenly across the row. 41 (49, 49, 57, 65, 73) sts

Change to 4mm needles and work chevron pattern and stripe sequence as for back. Continue until piece measures 28 (30.5, 33, 31, 32, 30.5) cm, ending with RS facing.

Neck shaping

Dec 1 st at neck edge (right-hand side) of next row, then every 6th (4th, 5th, 5th, 4th, 3rd) row 3 (4, 3, 7, 18, 2) times, then every 7th (5th, 6th, 6th, 5th, 4th) row 8 (12, 10, 8, 2, 19) times.

AT THE SAME TIME

Armhole

When work measures same as back to armhole, cast off 4 (5, 5, 6, 7, 7) sts at left end and dec 1 at same edge of every alt row 4 (7, 8, 13, 13, 18) times.

Continue neckline shaping until 21 (20, 22, 22, 24, 26) sts rem.

Continue in patt until armhole measures 19 (20.5, 21, 22, 23.5, 24) cm, ending with WS facing.

Cast off 10 (10, 11, 11, 8, 8) sts at beg of next row, cast off 11 (10, 11, 11, 8, 9) sts at beg foll alt row, then cast off 0 (0, 0, 0, 8, 9) sts at beg foll alt row.

Left front

Work as for right side, reversing shaping.

Sleeves

With 3.25mm needles and Cornflower, cast on 39 (41, 47, 47, 47, 55) sts. Work in 1x1 ribbing for 5cm.

continued from p.58

Next Row: Work in rib, increasing 2 (0, 2, 2, 2, 2) sts evenly across the row. 41 (41, 49, 49, 49, 57) sts

Change to 4mm needles and work in chevron pattern and stripe sequence. Inc 1 st at each end of 7th (3rd, 9th, 3rd, 3rd, 5th) and every following 8th (8th, 8th, 8th, 6th, 6th) row until 65 (69, 73, 81, 85, 89) sts. Work even until sleeve measures 42 (43, 43, 43, 44) cm, ending with RS facing.

Cap shaping

Cast off 4 (5, 5, 6, 7, 7) sts at beg of next two rows. 57 (59, 63, 69, 71, 75) sts. Dec 1 st at each end of every alternate row 13 (13, 16, 11, 11, 11) times. 13 (13, 15, 25, 25, 33) sts. Dec 1 st at each end of every row 0 (0, 0, 4, 4, 6) times. 13 (13, 15, 17, 17, 21) sts. Cast off loosely.

Shoulder seams

Sew fronts to back along shoulder seams.

Button band collar

With 3.25mm needles and Cornflower, cast on 8 sts. Work in 1x1 rib until band when slightly stretched will fit up cardigan front, from bottom of front hem, around back neck, and down left front. Cast off. Sew band in position

Mark positions for four buttons, the first one 2.5cm above the band bottom, the last one where the V-neck shaping begins. The rest should be evenly spaced between these two, approximately 9cm apart.

Buttonhole band

Work buttonhole band as for button band, working buttonholes at the marked positions as follows:

With RS facing, rib 2 sts, cast off next 2 st, rib to end.

Next row: Rib 4 sts, cast on 2 st over cast off st(s), rib to end.

Sew buttons at marked positions on the button band.

Finishing Sew sleeve top to armhole, easing to fit and matching stripes as far as possible. Sew side and sleeve seams. Darn in all loose ends.

Hints and tips

• **A note on fitting:** Individual finger lengths can vary considerably from person to person. Try on the glove while knitting the fingers or measure the recipient's fingers whenever possible. In case this isn't practical, average measurements are provided in the instructions. If in doubt, err on the longer side and maybe cast on an additional stitch or two at the base of the fingers. Better a little long and wide than too short and tight, which would make the glove unwearable. To adapt the pattern you can also combine the length measurements of one size with the width of another. (I have long fingers, but slim hands and need a small size in width and medium in length, for example)

• When joining new yarn for fingers and thumb, make sure to leave a long tail (at least 20cm). You can use it later to cover gaps (which will almost certainly appear) or misshapen stitches at the base of the fingers, with a duplicate stitch before you weave in ends

right edge, k to end, pu and k3 sts along the gap between thumb and hand. Divide sts evenly over three DPNs.
Next Rnd: K14 (14, 16, 18), ssk, k1, k2tog. 16 (16, 18, 20) sts

I live in Münster, Germany a city where each citizen statistically owns 1.5 bicycles. Mine is in use every day, all year round, which can get a little chilly from autumn to late spring. So I needed a pattern for gloves (not mittens, cycling with mittens is no fun) with a little extra twist that I can still use every day. The Marching Band Gloves are exactly that – you can achieve a classy tailored look, using muted autumnal colours and matching buttons, or go a little wild with colours like bright orange or pink that contrast with the slightly military style. Maybe use contrasting buttons or crossbars? Play around and have fun!

Silken LEAVES

For an affordable bit of luxury, why not splash out on knitting this gorgeous silk accessories set for yourself?

Knitted from 100% mulberry silk yarn, this hat and mitts set is just delicious. Silk doesn't have much memory though, so we recommend knitting in a little elastic with the brim of the hat to make sure it stays on your head.

LEAF LACE MITTS

Cuff (worked sideways)

Cast on 16 sts.

Work Rows 1-4 of Cuff Chart for 50 rows.

Cast off.

Turn work 90 deg so side edge is at the top.

Hand

Leaving one stitch either end for seaming later, pu and k38 sts evenly across the side edge. Join to work in the rnd, being careful not to twist. Pm to mark beg of rnd. Knit 1 rnd.

Work 18 sts of Main Chart, pm, work thumb gusset sts from Main Chart, pm, work 18 sts of Chart B to end of rnd.

Complete both charts as set, increasing for the thumb gusset until there are 10 sts between the 2 purls either side of the thumb gusset (Row 21 of Main Chart)

Next Rnd: Continue working Main Chart to marker, place 12 thumb sts onto waste yarn, cast on 2 sts and rejoin to the back of the hand and work to end of rnd.

Continue working in pattern until work measures approximately 11cm from beg of hand.

Work in 1x1 rib for 1.5cm.

Cast off loosely.

Thumb

Place 12 thumb sts onto needles.

Set-up Rnd: P4, k4, p4, pu and k4 sts from the base of the thumb hole on the hand. Pm for beg of rnd. 16 sts

This yarn is 100% mulberry silk and the softest thing I've ever knitted with, so I had to

design something special! Available in a gorgeous range of colours, it is ideal for luxury accessories or for those times you just really want a treat. Softer than butter in beautiful shades, what's not to love?

We've had so much great feedback from readers about Cilla's toy patterns that we just had to ask her to design more for us this year. The patterns are relatively straightforward, the only slightly tricky thing for new knitters will be the sewing up but don't worry – just take your time and it'll all come together! Remember that these toys are made up of small parts, so please use your own judgment when giving them to small children. We recommend using a machine-washable yarn and toy stuffing in case your little friends get mucky! To wash, slip the toys inside a pillowcase and machine wash according to the instructions given on the ball band.

Woodland PALS

We love knitted toys for children and this cute collection of critters is sure to be cuddled and treasured for years to come

Hints and tips

♦ To make sure the stuffing doesn't show through the stitches, make sure you keep your tension tight. If you find you're a very loose knitter, drop down a needle size

♦ When stuffing smaller pieces, tweezers are your friend!

Cilla Webb

One of the most frustrating parts of being a teacher is finding that, while you're in the middle of delivering a most fascinating lesson, your children are suddenly sidetracked by a cheerful little grey squirrel scurrying along the playground. It often makes me wonder who this little guy's playground pals would be if he were one of my pupils. This prompted me to create Sid Squirrel and his critter buddies Benjamin Badger and Oscar Owl, always up to no good but ever so entertaining

Little HOODYCHO

*Perfect for your own little red riding hood, this
cosy hood is a warm and snuggly addition to
any child's wardrobe*

This simple and rewarding knit is sized
from three months right the way up to
six years. It's wonderful for adding a
little bit of storybook-inspired dress-up to
daily wear – and in different colours, we think
it could make a brilliant wizard's cape too!

SPECIAL INSTRUCTIONS

Provisional (Chained) Cast On

Place a slip knot on the crochet hook.
Hold the crochet hook in your right hand,
resting on top of the knitting needle held
in the left hand. *Pass the yarn under
the needle and over the crochet hook,
pull the yarn in the hook through the
loop on the crochet hook. Rep from *

until desired number of sts have been
cast on.

3-Needle Cast Off

Hold two needles containing the same
number of sts parallel in left hand. With a
third needle, knit 1 st from each needle
together, there are now 2 sts on the third
needle. Pass the 1st st over the 2nd to
cast-off. Repeat this process until 1 st
remains, tie off.

*Add a touch of sparkle to a simple outfit with
this pretty and feminine shrug, with puff
sleeves and frilly edges*

For a good fit, ask a friend to help you
measure your upper arms and your
cross back measurement – this shrug
doesn't close at the front, so these
measurements are just as important as
your bust measurement. You can make the
collar longer or shorter if you prefer to
cover more of your bust. If you want to
cover a larger bust, make the size up and
decrease down to the smaller size at the
shoulders and sleeve caps to make sure it
fits your cross back measurement.

Start knitting...

Using 5mm straight needles and two
strands of MC, cast on 65 (73, 81, 89, 97,
105, 111) sts.

Work six rows in St st.

Change to 6mm needles using two strands
of MC with one strand of CC. Pm after the
first 2 sts and before the last 2 sts on the
first row (these are your selvedge sts).

Begin working in eyelet patt between markers.

AT THE SAME TIME

Inc 1 st at each edge every 4 (4, 4, 4, 3, 4,
2) rows 4 (4, 6, 6, 8, 8, 10) times. Increase
sts should be worked in St st then in patt
once you have enough sts for new reps.

Continue in patt until body measures 15cm
from cast on edge ending with RS facing.

Armhole shaping

Next Row: Work 14 (15, 18, 19, 23, 24, 27)
sts for right front, cast off 4 (4, 6, 6, 6, 6,
6) sts for underarm, work 37 (43, 45, 51,
55, 61, 65) sts for back, cast off 4 (4, 6,
6, 6, 6, 6) sts for underarm, work 14 (15,
18, 19, 23, 24, 27) sts for left front.

Note: On this row, the last st of cast off
counts as first st of next section.

Working on left front only:

Next row: Inc 1 (0, 1, 0, 0, 1, 0) st at

neck edge, p to end. 15 (15, 19, 19, 23,
25, 27) sts

Next row (dec): K2, work in patt to last 4
sts, k2tog, k2.

Next row: Purl.

Continuing to work in patt, dec in this way 1
st at armhole edge on the next 2 (2, 3, 3, 3,
3, 3) RS rows. Work any sts no longer in
patt in St st.

AT THE SAME TIME

Dec 1 st at neck edge every 8 (10, 8, 10, 7,
8, 6) rows 3 (2, 4, 3, 5, 4, 6) times. 9 (10,
11, 12, 14, 17, 17) sts
Continue in patt until armhole measures 20
(22.5, 22.5, 23.75, 26.25, 32.5, 35) cm,
ending with WS facing.

Shoulder shaping

Cast off 4 (5, 5, 5, 7, 8, 8) sts at shoulder
edge, work in patt to end. Cast off rem sts
on the next WS row.

Back

Armhole shaping

Rejoin yarn to the back sts with WS facing
and purl one row. 37 (43, 45, 51, 55, 61,
65) sts

Next row: K2, ssk work in patt to last 4 sts,
k2tog, k2.

Next row: Purl.

Continuing to work in patt, dec 1 st at each
armhole edge on the next 2 (2, 3, 3, 3, 3, 3)
RS rows. Work any sts no longer in pattern
in St st. 31 (37, 37, 43, 47, 53, 57) sts
Continue in patt until armhole measures 20
(22.5, 22.5, 23.75, 26.25, 32.5, 35) cm,
ending with WS facing.

Shoulder shaping

Cast off 4 (5, 5, 6, 7, 8, 0) sts at beg of
next four rows.

4XL SIZE ONLY

Cast off 8 sts at beg of next 2 rows, then 9
sts at the beg of the foll 2 rows.

SHOULDER SHAPING

Next row: Cast off 4 (5, 5, 5, 7, 8, 8) sts at shoulder edge, work in pattern to end. Cast off rem sts on the next RS row.

Sleeves

Using one strand of MC and 4mm needles, cast on 80 (84, 92, 96, 104, 112, 116) sts. Knit 4 rows.

Work in St st until sleeve measures 2.5cm ending with WS row.

Change to 3.75mm needles and one strand each of MC and CC.

Next row: *K2tog; rep from * to end. 40 (42, 46, 48, 52, 56, 58) sts

Work five rows in Garter St ending with RS facing for next row. Cut CC and join in second strand of MC.

Next row: *Kfb; rep from * to end. 80 (84, 92, 96, 104, 112, 116) sts

Hints and tips

Place st markers for your selvedge sts and move sts which are no longer in pattern into the selvedge area to be worked in St st. This avoids confusion over which sts are 'in pattern' and which are just to be knitted until the number either increases or decreases to a multiple which matches your pattern repeat

Madly Deeply

I wanted to make a bolero to add a bit of pizzazz to my little black dress for the winter. The light and airy kid silk is also very warm. I used two strands of kid silk for the sleeves as my arms often get cold. The Palila stranded with the kid silk on the main body adds a bit of glitter without the 'weight' of regular yarns

This design is knit almost entirely on straight needles, which is something we know some of you have been asking for. The exception is the thumb of the mitts, which we think is easier to do using DPNs. If you want to avoid using DPNs altogether, you can knit the thumb using straight needles too. It might feel a bit tight and awkward but will turn out just fine.

SPECIAL INSTRUCTIONS

Ktbl: Knit through the back loop.

Designed by

Karina
Westermann

This Art Deco-influenced design is inspired by F Scott Fitzgerald's jazz age classic,

The Great Gatsby. The novel is a tragic story about unrequited love and the lies we tell ourselves, capturing the glitz and glamour of the roaring '20s. I chose to combine a luxurious cashmere-blend with a glitzy metallic thread. This isn't designed for warmth – instead, it's intended to make you feel glamorous and feminine. No one in the upper echelons of Gatsby's world need care about staying warm – just looking amazing!

Hints and tips

When you're changing colours, don't use knots to fasten the new colour. I thread a tapestry needle with the new colour and thread it through the outmost loop of the row below. This helps keep your tension even and avoids those pesky knots!

Row 4: Using CC, purl.
Rep Rows 1-4 twice more.

Keeping in pattern, create thumb opening.

The vibrant literature associated with the 1930s Bloomsbury set was echoed in the vibrant art and design work produced at the time. I wanted to reproduce some of this vibrancy in a geometric design reminiscent of that era for these reading accessories, not least because Bloomsbury is now so strongly associated with publishing. It's not often that knitting with such a wide range of colours is possible on such a reasonable budget, but mini-skein sets offer an affordable way to achieve this

Bloomsbury COSIES

Avid readers love the black and white of a page of text – but why not inject a little bit of colour with these cute cosies?

These cosies are double layered for extra protection – diamond pattern on the outside, stripes on the inside.

Perfect for keeping your precious bits and pieces nice and safe. All instructions are for a spectacle case, with instructions for the eBook cosy in brackets.

Start knitting...

Using black (red) yarn and Judy's Magic Cast On (or figure 8 cast on or similar), cast on 48 (96) sts. Join to work in the rnd, being careful not to twist. Distribute sts evenly on DPNs.

Begin working from bloomsbury blues (bloomsbury) chart.

Work Rnds 1-42 once, then Rnds 1-19 (1-33) once more.

Switch to black (red) yarn and knit 1 rnd.

Dec Rnd: *K4, k2tog; rep from * to end.

40 (80) sts

Knit 1 rnd in black (red).

Work stripes for inner as detailed below for 66 (72) rnds.

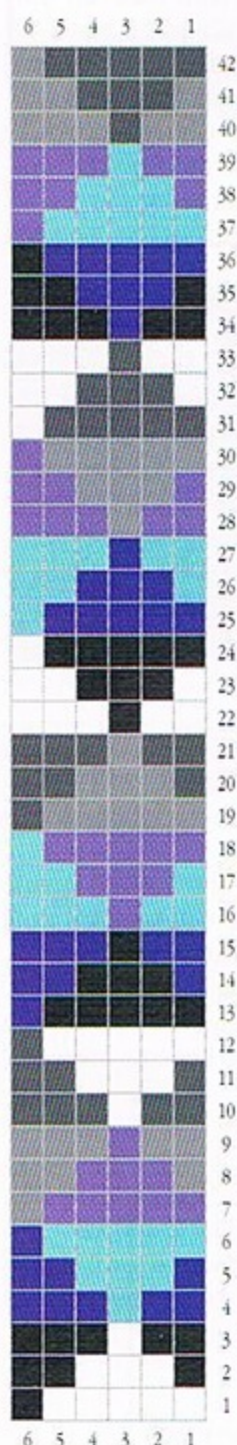

Spectacle case stripes: 3 rnds each of charcoal, navy, blue, soft blue, slate, undyed, slate, soft blue, blue, navy, charcoal, black.

eBook cosy stripes: 3 rnds each of orange, yellow, green, light blue, dark blue, purple, red.

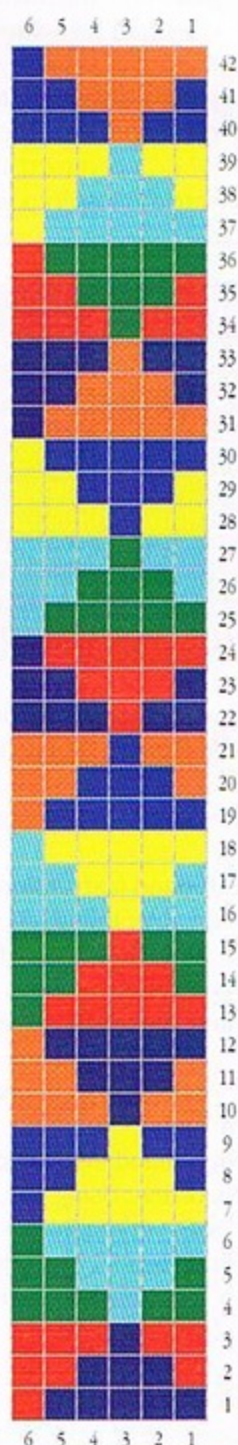

Divide sts evenly between two needles and hold them parallel. Graft sts together using kitchener stitch.

Finishing: Use a small stitch at the inner corners of the spectacle case/eBook cosy to attach the inner to the outer of the case. Block lightly if desired.

Cast off

Step 1
Knit two stitches. Insert the tip of the left-hand needle into the front of the first stitch on the right-hand needle.

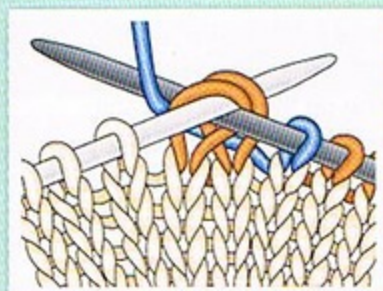

Step 2
Lift this stitch over the second stitch and off the needle.

Step 3
One stitch is left on the right-hand needle.

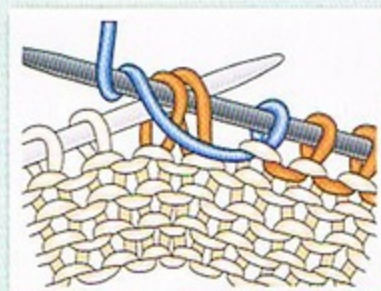

Step 4
Knit the next stitch and lift the second stitch over this and off the needle. Continue in this way until one stitch remains on the right-hand needle. Break yarn, thread the tail through the last stitch and pull tight.

K2tog

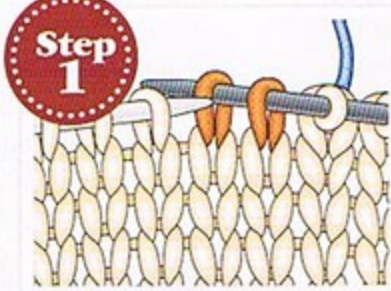

Knit to where the decrease is to be, insert the right-hand needle knitwise through the next two stitches and knit them as one stitch.

P2tog

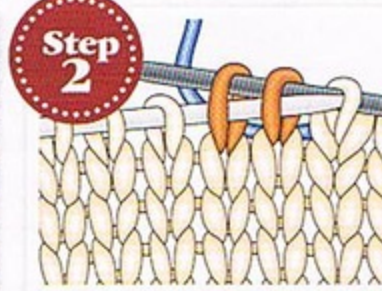

Purl to where the decrease is to be, insert the right-hand needle purlwise through the next two stitches and purl them as one stitch.

SSK

Step 1
Slip two stitches knitwise one at a time from left-hand needle to right-hand needle.

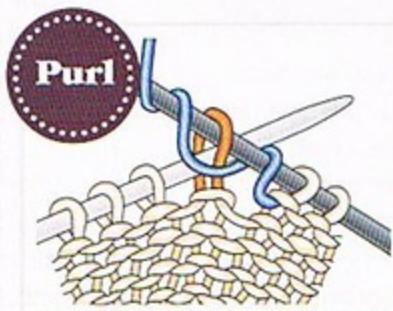

Step 2
Insert the left-hand needle from left to right through the fronts of these two stitches and knit together as one stitch.

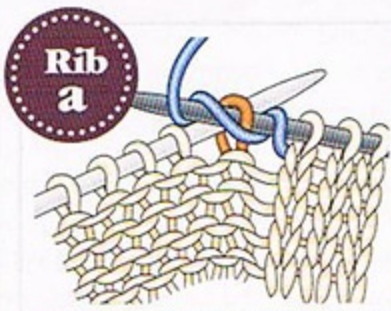

Yarn over

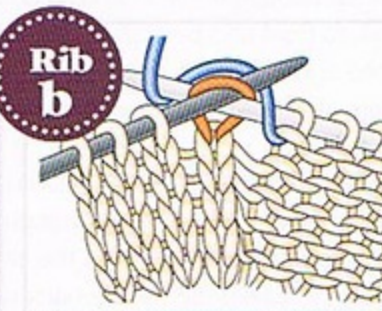

Knit
Bring the yarn forward (y fwd or yf) between the two needles. Knit the next stitch, taking the yarn over the right needle.

Purl
Take the yarn back over the right-hand needle and forward between the needles to bring yarn round needle (y rn). Purl the next stitch.

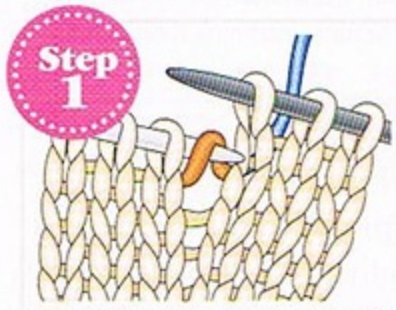

Rib a
Bring yarn forward between the needles, back over the right-hand needle and forward again between the needles – yarn forward and round needle (y frn). Purl next stitch.

Rib b
Take the yarn back over the right-hand needle – yarn over needle (yon). Knit the next stitch.

Make one

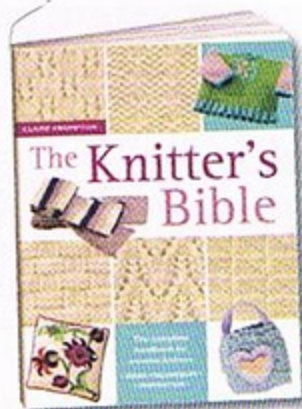

Step 1
Knit to where the increase is to be made. Insert the tip of the left-hand needle under the running thread from back to front.

Step 2
Knit this loop through the front to twist it.

Step 3
If you are working M1 on a purl row, you purl the loop through the front.

Instructions taken from *The Knitter's Bible*, priced £14.99, available from www.rucraft.co.uk

The BASICS

Whether you're new to knitting or just need a quick refresher, these pages will tell you all you need to know about the essential techniques

Cast on

Step 1
Make a long-tailed slip knot and place it on the needle. Hold the needle in your right hand. Pass the ball end of yarn over the index finger, under the middle and over the third finger. Holding the free end in the left hand, wrap it around the left thumb from front to back.

Step 2
Insert the needle through the thumb loop from front to back.

Step 3
Wrap the ball end under and around the needle.

Step 4
Pull a new loop through the thumb loop by passing the thumb loop over the end of the needle. Remove thumb and tighten the new loop on the needle by pulling the free end. Continue in this way until you have cast on the required number of stitches.

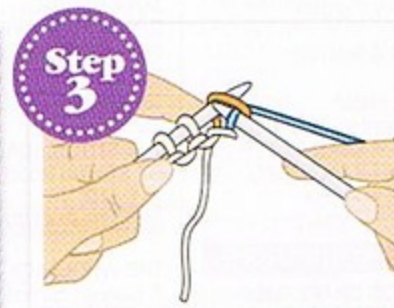

Knit

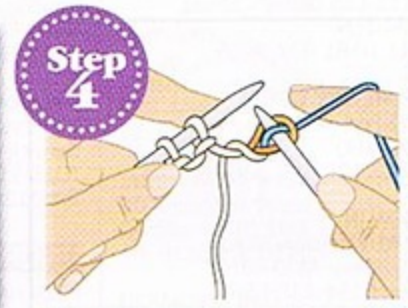

Step 1
Hold the needle with the cast on stitches in your left hand, and insert the right-hand needle into the front of the stitch from left to right.

Step 2
Pass the yarn under and around the right-hand needle.

Step 3
Pull the new loop on the right-hand needle through the stitch on the left-hand needle.

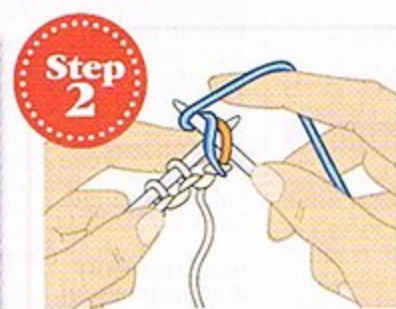

Step 4
Slip the stitch off the left-hand needle. One knit stitch is completed.

Purl

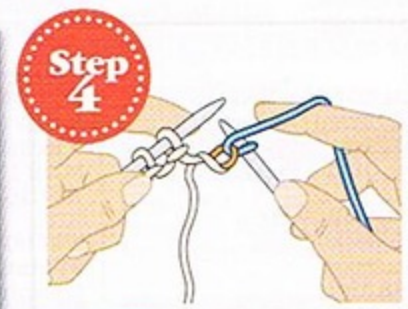

Step 1
Hold the needle with the cast on stitches in your left hand, and insert the right-hand needle into the front of the stitch from right to left.

Step 2
Pass the yarn over and around the right-hand needle.

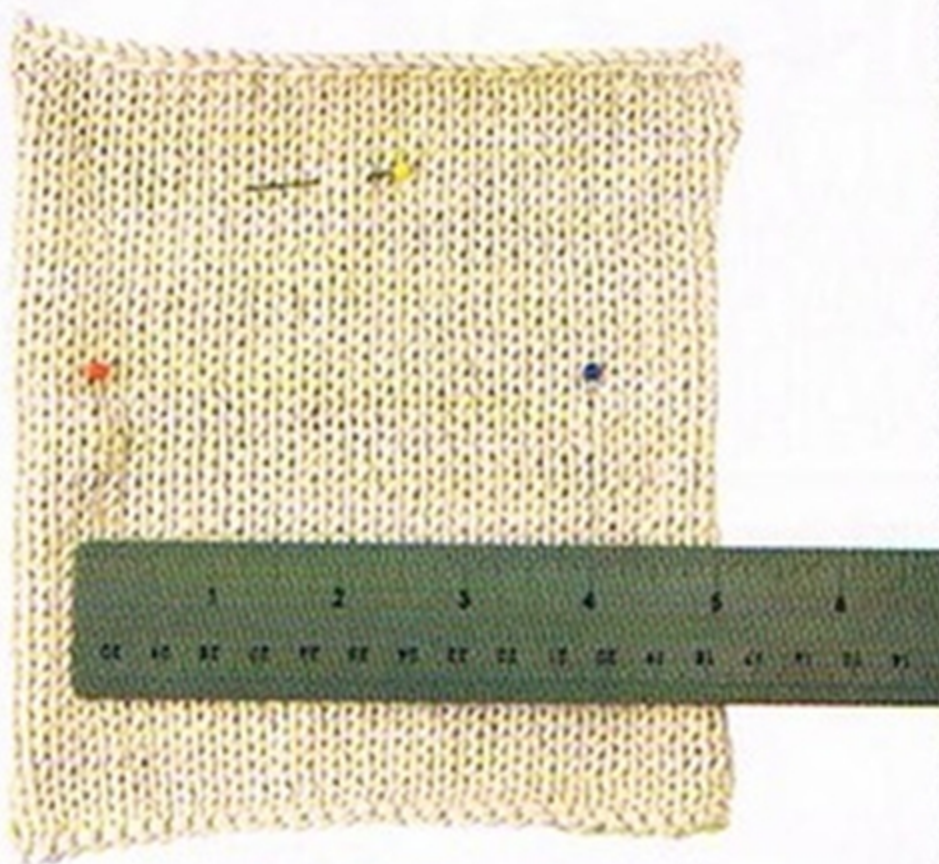

Step 3
Pull the new loop on the right-hand needle through the stitch on the left-hand needle.

Step 4
Slip the stitch off the left-hand needle. One purl stitch is completed.

KNITTING A TENSION SQUARE

1. Cast on the number of stitches given in the pattern to measure 10cm plus half as many again.
2. Work 15cm in stocking stitch and cast off loosely.
3. Use the same method you will use to press the finished item to block your tension square (see below).
4. Lay your fabric on a flat surface without stretching it. Use a ruler to measure 2.5cm in from one edge and mark with a pin.
5. Measure 10cm horizontally from the first pin and mark with another pin.
6. Avoiding the cast on and cast off edges, which may distort the fabric, mark the same measurements again, vertically.
7. Work out your tension by counting the number of stitches and rows between the pins. If there are more than the

pattern states, the square is too small: make another square with a needle a size larger. If there are fewer stitches than stated in the pattern, the square is too big: make another square using a needle a size smaller.

Mattress stitch

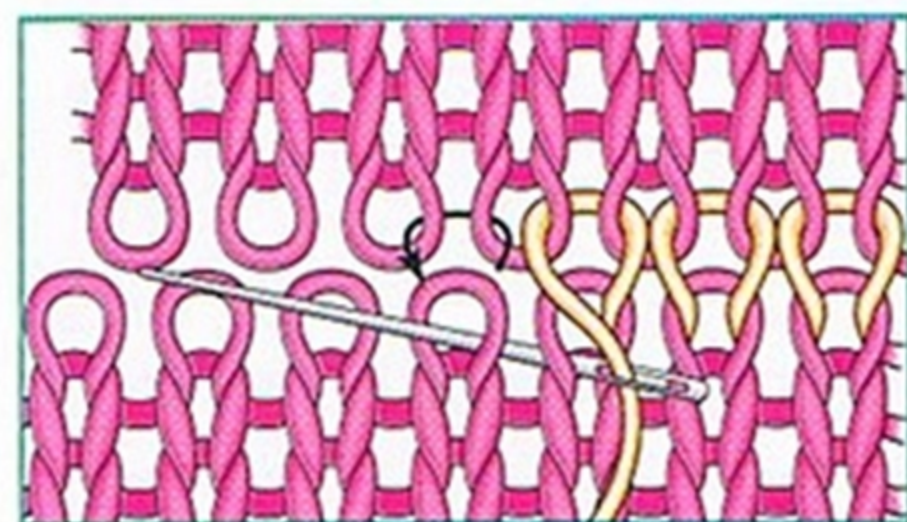

To join two pieces of stocking stitch lay the pieces flat, right sides up and together. Secure the pieces together by bringing the needle through from back to front at the bottom of the right-hand piece, taking the needle through the left-hand piece from back to front and back under the right-hand piece and out at the front. This makes a figure-of-eight with the yarn and gives a neat edge.

Take the needle across and under the left-hand piece and bring it through to the front from the same hole as the securing stitch. Now take the needle back to the right-hand piece and bring it up under the

horizontal strands of the two stitches above the first entry point. Take the needle back to the left-hand piece, insert the needle back into the stitch and take it up under the next two horizontal strands. Pull up the stitches to tighten them and draw the two edges together. Continue until seam is complete.

GRAFTING (KITCHENER STITCH)

Grafting creates a seamless and invisible join at the toe

First divide the stitches equally between two DPNs. Cut the yarn leaving enough to graft the stitches with. Thread the yarn onto a

pull the yarn through. Insert the needle knitwise into the first stitch on the back needle and pull the yarn through.

Insert the needle knitwise into the first stitch on the front needle and slip the stitch off the needle. Insert the needle purlwise into the next stitch on the front needle and pull the yarn through. Insert the needle purlwise into the first stitch on the back needle and slip this stitch off the needle. Insert the needle knitwise into the next stitch on the back needle and pull the yarn through.

Blocking

The process of pinning and pressing knitted pieces is called blocking and it will make your finished projects look as good as possible. First sew in yarn ends, then steam or wet press as appropriate.

Steam pressing

This method is used for natural yarns or those with a high wool content. Care should be taken with long-haired fibres such as mohair and angora, or items with textured stitches, to ensure the steaming process does not matt the fibres or flatten the pattern. Check the information on the ball band and test-press a tension square first if you have any doubts.

Use rustproof large-headed pins to pin out each piece to its exact measurements, wrong side up, on your ironing board or blocking board. Lay a clean cotton cloth over your knitting to protect it.

Set the iron to an appropriate heat setting for your yarn. Hold the iron close to the cotton cloth and allow the steam to permeate. Do not press the iron onto the knitted fabric. Remove the cloth and allow knitting to dry before unpinning.

Wet pressing

This method is suitable for synthetics and fancy yarns. Pin out your knitting as for steam pressing. Wet a clean cloth and squeeze out the excess water until it is just damp. Place the cloth over your knitting and leave to dry. Remove the cloth when it is completely dry and ensure the knitted pieces are also dry before unpinning them.

Prairie MITTS

These pretty mitts are just the thing for keeping out the chill during a long session in the library

These fingerless gloves are worked in only one skein of soft alpaca. They have an easy lace rib cuff and a central Fleurette lace panel, evoking the waving prairie grasses and flowers around the Ingalls family homestead. Warm and snug, these gloves make the perfect accessory for any pioneering endeavour!

Living in a beautiful snow belt necessitates many warm garments that need to be practical as well as functional. Since layering is one of my favourite ways to keep warm, I designed a cable and lace tunic that is long and roomy with short sleeves. Aran-weight yarn makes Etta quick to knit with no seaming involved. It's a fun project to make and it's perfect for the winter months.

Eyre SHAWL

Named for one of our favourite literary heroines, this pretty and delicate shawl is the epitome of elegance

This shawl is designed to be adjustable, so you can decide for yourself how big you want it. You will always need to work Chart A and Chart C once – but it is entirely up to you how many times you want to knit Chart B! For a smaller shawl, try working Chart B four times before proceeding to Chart C. For a larger shawl, try working Chart B nine times before proceeding to Chart C. Remember that you will need more yarn for a larger shawl. The size pictured used approximately 600m.

SPECIAL INSTRUCTIONS

Please note that the charts do not show the stitches you do either side of the lace chart. Remember to begin and end every row with k2 (before and after the chart)!

The charts show the left-hand side of the shawl. After you have knitted the centre stitch, mirror the lace chart by reading it from left to right instead of from right to left.

Start knitting...

Cast on 2 sts.

Knit 12 rows.

Next Row (RS): K2, turn work 90°, pu and k5 sts along the side, pu and k2 sts from cast-on edge. 9 sts

Next Row (WS): K2, p5, k2. 9 sts

Begin working from charts. Charts are worked as follows: K2, work chart from right to left to centre (grey) stitch, k centre st, work chart again in reverse, reducing from right to left, k2. WS rows are not charted.

Work all WS rows as follows: K2, purl until last two sts, k2.

Work Rows 1-18 of Chart A once. 47 sts
Work Rows 1-20 of Chart B seven times. 327 sts

Work Rows 1-29 of Chart C once. 387 sts

Cast off as follows: K2, *put both sts back onto left needle, k2tog-tbl, k1; rep from * to end.

Finishing: Block your shawl and weave in ends.

Hints and tips

- I prefer to slip the first stitch of every row, as I think it looks neater
- The main thing to remember when casting off is this: make it stretchy! If your cast-off edge is too tight, you will not be able to block your shawl. Go up a needle size if you're a tight knitter

When I was 14, I wanted to read all the classics before I turned 15. *Jane Eyre* was one of the few books I managed to read and I thought it dull. Then I reread it last year and it took my breath away: what an intelligent and passionate book. Its many knitting references were just cherries sprinkled on top! There was a very lovely bit where the housekeeper, Mrs Fairfax, said something like: "Hang on. Must.

 Designed to fit with about 2cm ease

These socks are designed to be knit using the magic loop method – and they can be knit two at a time too, if you fancy. If not, you can work them on a set of five DPNs instead. When reading the instructions, your first two working DPNs act as N1 and your third and fourth act as N2.

Start knitting...

Toe

Using Judy's Magic Cast-on (see our website for a step-by-step guide) and CC1, cast on 20 sts – 10 sts on each needle.

Rnd 1: Knit.

Rnd 2 (inc rnd): [K1, m1, k to last 2 sts on needle, m1, k1] twice.

Rep Rnd 2 until you have 20 sts on each needle, then rep Rnds 1-2 until you have 32 (36, 40, 44) sts on each needle. 64 (72, 80, 88) sts

Foot

Switch to MC and knit 5 rnds.

Begin working from your chosen chart as follows, using MC and CC2:

Size S: [Work chart] 4 times.

Size M: [K2 MC, work chart] 4 times.

Size L: [Work chart] 5 times.

Size XL: [Work chart, k2 MC] 4 times, work chart.

Work until foot reaches desired length, ending after a motif.

Heel

Set-up: Turn work. Join CC1 and work heel in CC1 throughout.

Row 1 (WS): P32 (36, 40, 44). Turn.

Row 2: Sl1, k30 (34, 38, 42). Turn.

Row 3: Sl1, p28 (32, 36, 40). Turn.

Row 3: Sl1, p26 (30, 34, 38). Turn.

Continue working in this way, working 2 fewer sts between slipped st and turning on each row until 12 (12, 16, 18) sts rem, ending with a WS row.

Next Row: Sl1, k to 1 st before gap, sl1, pick up the bar running between the gap and put it on the RH needle, k slipped st and picked-up bar tog.

Next row: Sl1, p to 1 st before gap, sl1, pick up the bar running between the gap and put it on the RH needle, p slipped st and picked-up bar tog.

Rep these 2 rows until all heel sts have been worked.

Break off CC1 and cont working leg in MC and CC2 as for foot.

Leg

Continue working from charts, working them 3 more times.
 Knit 4 rnds in MC.

Cuff

Switch to CC1 and work in 2x2 rib for 12 rnds.

Finishing: Weave in ends and block. ☀
